Do It Now!

Aberdeen People Should Not Wait Until it is Too Late.

The appalling death rate from kidney disease is due in most cases to the fact that little kidney troubles are usually neglected until they become serious. The slight symptoms often give place to chronic disorders and the sufferer may slip gradually into some serious form of kidney com-plaint.

If you suffer from backache, headcretions are irregular of passage and

unnatural in appearance, do not de-lay. Help the kidneys at once. Doan's Kidney Pills are especially for kiney disorders—they act where others fail. Over one hundred thousand people have recommended them. Here is one of many cases in this N. B. Patterson, 35 Calhoun St.

West Point, Miss., writes: "Typhoid fever left my kidneys in a very weak ened condition. I doctored and tried various medicines in order to get relief from the pain in my back and other ailments, caused by inflamma-tion of the kidneys and bladder. When everything else had failed, Doan's Kidney Pills were recommended to me and I used a box. The result was pleasing. My back was strengthened and my kidneys became normal," Price 50c at all dealers. Don't simp-
